

Student Worksheet

Activity A2

#A2.1 | Brainstorming about our prototype:

What is the issue my team is going to solve and where is it localised?

Why is it important to tackle this issue?

What needs to be done to solve this issue?

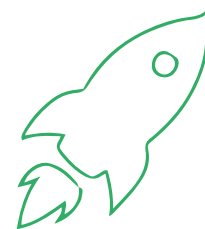

How can our prototype help solve this issue?

#A2.2 | Design here your prototype!

Name of the machine:

Student Worksheet

Design here the prototype.

Learning

The most interesting thing I have learnt today is _____
